Career Q&A w/ PDC was conducted entirely online at the New York City College of Technology

The seminar was held on March 23, 2023, at 1:00 p.m. and lasted approximately one hour and thirty minutes.

During the session, students ask questions on various topics related to career development, including Career paths and opportunities in a particular industry or field, Job Search and Networking Strategies, Tips on building a successful career, including developing skills, professional certifications, and continuing education. Identifying and achieving career goals and aspirations, Overcoming common career challenges, and balancing work and life responsibilities. Students also shared their own experiences and insights into their career paths, providing valuable advice and guidance for achieving career goals.

2. What did you learn by attending this seminar in detail? 5-6 sentences

In this session, I will be able to learn about the latest trends, best practices, and career development strategies in your field or industry. I can gain valuable insight into the career journeys of experts and experienced professionals, which can help me make informed decisions about my own future career path. As a result of the session, I may meet and connect with other professionals in my field, enabling me to expand my professional network and possibly identify new career opportunities.

3. How did this professional development seminar enhance your career moving forward? (5-6 sentences)

Having attended this professional development seminar provided me with new knowledge and skills that will allow me to perform my current job more effectively or qualify me for new opportunities in my field. The seminar also provided me with the opportunity to meet other professionals and establish contacts in the Handshake and Linked applications. When looking for new job opportunities for learning about new trends and opportunities, expanding my network and connecting with others in my field can be helpful. I believe these seminars will help students and me gain confidence in our abilities, improve our communication skills,

and learn more about our field as we help people advance their careers and achieve their professional goals.

4. What would you tell other students about this seminar and why should they attend? (5-6 Sentences)

I would recommend other students to attend the career Q&A with PDC professional development seminar. This is because it provides a valuable opportunity for students to learn about various career paths, opportunities, and strategies from experts and experienced professionals in their field or industry. Various fields and industries will be covered in this seminar, as well as trends, best practices, and career development strategies. Students who attend can gain valuable insight into their chosen career paths as well as learn about opportunities available to them. In addition to networking with other professionals in their fields, the seminar provides students with the chance to identify new career opportunities, internships, and mentorships. Students can gain valuable insight into their own careers from the experts and experienced professionals on the panel, which can help them make more informed career choices.
