

# Is each of the following rules necessary for maximizing happiness? Why?

- do not steal
- Do not lie.
- rescue those in need
- do not jaywalk
- do not cheat
- do not speed
- always give up your seat on the train for your elders
- respect your elders

# Is it ever necessary to break any of these rules in order to maximize happiness? When?

- do not steal
- Do not lie.
- rescue those in need
- do not jaywalk
- do not cheat
- do not speed
- always give up your seat on the train for your elders
- respect your elders
