

Department of Mathematics
Curriculum Committee Minutes

Meeting date: April 27, 2023

Present: H. Africk, H. Carley, N. Katz, K. Poirier, T. Tradler, A. Taraporevala, L. Zhou (Chair)

Guest: J. Natov, K. Parker

Absence/Excused: N. Benakli, A. Masuda, E. Halleck

1. The meeting was called to order at 12:40pm in N718.
2. **Motion:** Approve minutes from March 23, 2023.
Action: Carried.
3. Propose approving the new textbook and the course outline for MAT 2580, but the motion was postponed to the fall semester. Prof. Africk and Prof. Parker will continue working on the course outline.
4. Prof. Tradler proposed to continue experimenting with the new course outline for MAT 1375.
Motion: Approve the continuation of experimentation with the new course outline for MAT 1375.
Action: Carried.
5. Feedback was received from the course coordinators regarding the re-formatting of the final exam review.
6. The meeting was adjourned at 1:20pm.

Respectfully submitted,
Lin Zhou
