Great Monica, thank you, you were instrumental in this happening. We did not get notification that it was in print. Susan, let's discuss.

Subject: The emerging wine tourist

hi Karen & Susan: Congrats--I'm really happy to see that this chapter is now in print.

You can add the pre-production version of the manuscript to Academic Works. This would be the version before copyediting and watermarking from Routledge. We would have to set the record to hold back the download for 18 months as per Routledge's policies for book chapters: <https://www.routledge.com/our-products/open-access-books/publishing-oa-books/chapters#>

Once you find the right version, all you need to do is give me [permission](#) and I can add it on your behalf. thanks, Monica
