Monica,

I wanted to thank you for your excellent advice regarding my book, *Public Spirit and Civic Image: Architecture and Urbanism in Downtown Brooklyn*. After speaking with you, I feel I have a much clearer idea of how I should approach my writing as I seek the right publisher; I agree that an academic press will probably be the best choice.

As I move forward, I would like to keep you abreast of my progress and continue to get your input. Your knowledge and assistance is invaluable.

Thank you very much.

Best, Michael
