HALLOWEEN PROJECT
By: Magali Calle
03/29/23

Summary

This project is designing a haunted cemetery entrance for Halloween day at Borough Hall. The purpose of this is to have a photo opportunity for all ages to experience. We will be designing a space with characters/concepts of Gravesend Inn and Day Of The Dead.

Description

I am Designing a set of walls for this project and set dressing it. I had to read all the backstory about the Gravesend Inn and research about Day of The Dead. I was given certain requirements for project and from there I started thinking about designs. Once my designs were approved by the Chair president of Borough Hall, my designs were giving to carpentry for build. Then giving to me and paint class to start painting the flats.
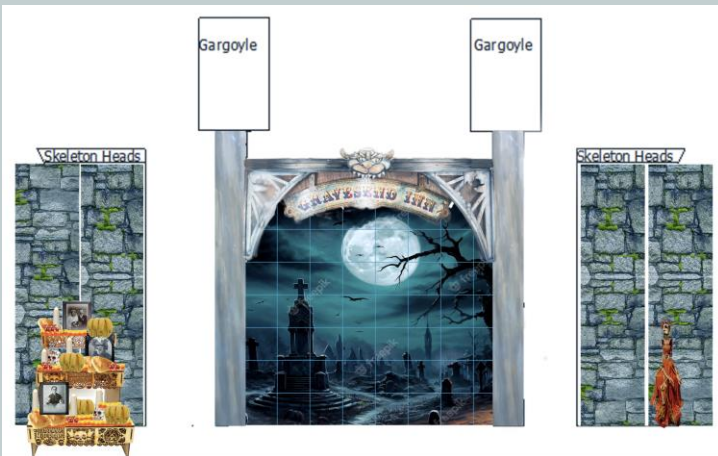

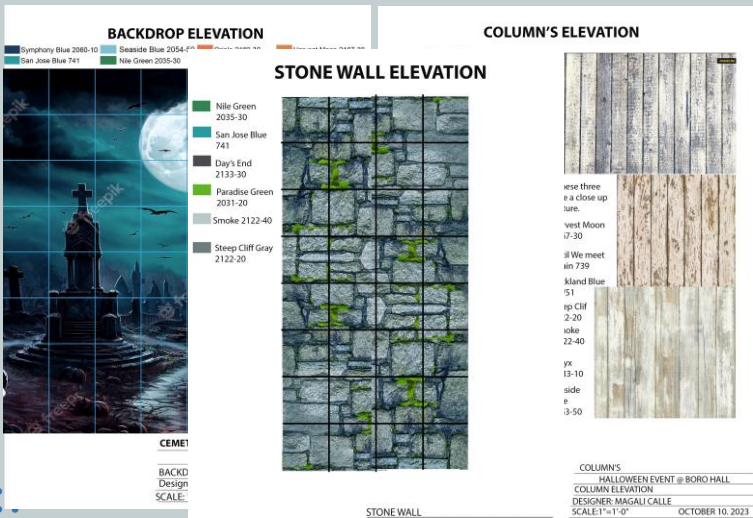

Method

- Read about the haunted hotel
- Research dia de los Muertos
- Pinterest board of ideas
- Designs picked
- Elevations/Drafting
- Execute

Deliverables:?

1. Research
2. Development of Ideas
3. Draft designs

Required Resources:.

1. Laptop
2. Vectorworls
3. Autocad
4. Graph paper
5. pencil

BACKDROP ELEVATION
COLUMN'S ELEVATION
STONE WALL ELEVATION

Symphony Blue 2080-10 — Seaside Blue 2054-
San Jose Blue 741 — Nile Green 2035-30

Nile Green 2035-30
San Jose Blue 741
Day's End 2133-30
Paradise Green 2031-20
Smoke 2122-40
Steep Cliff Gray 2122-20

Gargoyle — Gargoyle
Skeleton Heads — Skeleton Heads

Results

The outcomes of this project is great. I learned a so much and enjoyed it the entire time. I know there's more to learn in the industry. I had everything scheduled and we followed it. That helped us to stay on time. This project made me realized paint takes a long time, to always have more time than I think for paint. After all everything was completed as planned.

Conclusion

Designing the scenery gave me confidence in working in this industry especially when I see people's reactions from what I had on paper to physically being able to see it/touch it. This project was full of learning and skill building for me. I will add this project to my portfolio. Also, after I graduate, I would like to look for more job opportunities like this project.

Borough Hall
