Fly like a jet plane  
Icy in my blood, I can never change  
Got it in my soul, I can never break  
Pinkie off the glass, really change the taste  
I just wanna kick it with my crew  
They just want the lights like (Ooh-ah)  
Feelin' like the world divine  
Walkin' with a new step (Hey, hey, hey)  
I'm just too cold, icy  
From my head to toe, they ain't like me  
I'm just too cold (Yeah), icy  
Only way I know (Yeah)  
I'm just too-

Smooth like a finger wave  
Wash me with that tide, I can never fade (Never ever)  
Even at my lows, smile still on my face  
Pinkie off the glass, really change the taste  
I just wanna kick it with my crew  
They just want the lights like, ooh-ah (Want the lights like ooh)  
Feelin' like the world divine (World divine)  
Walkin' with a new step (New step, hey)  
I'm just too cold (Yeah), icy  
From my head to toe (From my head to toe), they ain't like me  
I'm just too cold (Way too cold), icy  
Only way I know (Only way I know)

I'm just too-  
I'm just too cold, yeah-yeah  
Touch her, might freeze her  
I'm just too cold, ah  
I'm just too cold (Yeah), icy  
From my head to toe (Ooh, yeah), they ain't like me  
I'm just too cold (Yeah), icy  
Only way I know (Only way I know, yeah)  
I'm just too cold (I'm just too cold), icy  
From my head to toe (From my head, to head to toe)  
They ain't like me  
I'm just too cold (Yeah), icy  
Only way I know (Yeah)  
Oh, please, the way I know  
Baby, I'm just so cold
