Over the course of her career, Bobbie Brown, the 54 year-old founder and C.E.O of the eponymous cosmetics brand, has artist into global fashion mogul-she currently oversees countless products sold in nearly 1,000 stores in 56 countries. Asher company(which she sold in 1995 to Estee Lauder but retains creative control of) celebrates its 20th anniversary, our correspondent tries to make her blush.

George Wayne: How did it all start? Bobbie Brown: My mother basically sat me down and said, "What do you want to do with your life?" As an 18-year-old kid I had no idea, and she said, "well, what do you love?" I said, I love playing with makeup," and she said, "Well, why don't you be a makeup artist?" A friend of mine told me about Emerson College, and i went there because they had an outdoor magic pan cafe. i was from chicago . and it was the 70s. i had never seen an outdoor restaurant, and i thought it was fabulous. G.W. Theatrical makeup- how different was that? B.B. Well, I thought I wanted to do movies and realized I'm too A.D.D and could only do one day of a movie before I got bored. So i just moved to New York, and i just fell in love with fashion. I looked up modeling agencies and photographer, and i somehow got hired. G.W. who was the first celebrity you ever did? B.B. It was Tony Randall. The next big one was the rolling stones - all of them. it was for an album cover. I was very nervous. I remember tina bossidy styled it, and after i finished their make-up, I'm in the dressing room and she came in and handed them their clothes. all of the

sudden, i looked up in the mirror and there are the rolling stones in their underwear, and i just kept saying:if my friends from high school could see me now. G.W. do you ever stop to think, God, I'm really luck-all i did was invent a flesh tone lipstick? B.B. I've always realized how lucky and blessed i am. it started with a lipstick that looks like lips. at the time, everything was bright fuchsia G.W. who was your idol growing up? B.B. Alie MacGraw. When I was a teenager, if you weren't blonde, blue-eyed, flat-chested, and longlimbed, you weren't attractive. and then what chanfes my life was going to see love story and seeing this beautiful preppy girl with big strong eyebrows and dark hair. and for the first time i was able to look at myself and feel pretty. G.W. you have three sons. are any of time interesed in copying your legacy? B.B. luckily not. My boys all comletely differenet ideas of what they want to do. But they have really nice girlfriends who are probably really happy when they find out who their mother is. G.W.If there's one thing you would suggest to Kate Middleton, Why would that be? B.B. Well, I know exactly what make she uses. G.W. so she uses your make up? B.B. she has, way before her current world, come to the countersm she does kind of look like a bobbi girl. one of my head makeup aeriests in london was there working with pippa and her mom the day of the wedding. so that was pretty cool. G.W. does bobbi brown have fun? B.B. i do have fun! i Danced onstage with flo rida this year at a concert. It was the most fun I've ever had in my whole life. G.W. so, how do you keep your sanity in this vivious, barracuda world of fashion? B.B. We all want the same things. We want to be loved, to be happy- we want to feel good and we want to have nice things And we want to be able to give back. It's really

You were recently voted the sexiest man alive. how does that go down in the pub? you can't understand the amount o ammunition i have given my friends my friends over the years. i mean, i did a disney dance movie! if you want to know how creative your friends can be, get an action figure that has your face on it, then things they can do are horrible and amazing.

Don't be coy with us! My mum is very free and the sweetest person I have ever met. I don't know if I am the sweetest person, but I can talk to anybody and my mum is the same way. You can't get her to shut up!

What was your wife's (actress jenna dewan, who starred alongside Channing in Step UP. the pair have been married since 2009) reaction to your award? No! really? Really? she didn't actually believe it.

Well, we think she's a lucky woman. Are you a romantic leading man in real life? I try to be. I mean, if you get something for someone at christmas, it's expected. but if it's a tuesday in the middle of the month and they come home to find you've cleaned the house and cooked dinner, that's nice. Guys it's really not that hard

How are you finding fatherhood (jenna gave birth to the couple's first child, Everly, in may)? At first I felt terrified, excited and unprepared. Jenna and I are very ambitious people, in our lives and our careers, but now this is happening it's made us focus on something else that is not us. It is really and nice and refreshing to step outside of yourself for a moemnt and know that its is not you for once.

Where did you get your naural confidence? I dont know if its confidence, more of a reckless abandon to look stupid. I dont mind looking dumb. I don't claim to be the wittiest or smartest person on the planet, and I never will be, but I

8 Mile just got out of the swimming pool, what with Mr. Foxx keeping the party going till 2.30 am.

Is it uncomfortable shooting a scene where the white house is blown up? it's weird with everything going on in the world. you go to movies because you want to see something that extraoedinary, wherhter it is a catastrophe or piphany and because you want to see something overcome the thing that you can't overcome. But it is just a movie.

Its not real, got it. What about stunts? You're very convincing. I like doing my own stunts. I go to movies all the time and when the actor's face goes through the window I'm just like, Ah, come on now! It's all sugar glass, its not going to hurt you. they dont let us actors go through thing
