7 YEAR PLAN

ARCH 4861 _ Fall 2018

My name is Sarah Elsayed and I'm a recent graduate from New York City College of Technology with an Architectural Tech Degree. I also recently started a new position as an architectural assistant at ACV architecture and it's helping me tremendously in learning what I need to know in order to one day have my own practice as a Registered Architect.

YEAR 1: 2018/2019

- Graduate from NYCCT with a Baccalaureate Degree of Architectural Technology
- Continue working at ACV Architecture for the remainder of the year
- Complete portfolio, website, and architectural resume
- Invest in more on self-improvement
- Travel back home to Egypt during the summer and build and Architectural Network
- Get Certified: LEED, OSHA, Expediting
- Save towards buying my own house

YEAR 2: 2020

- Built my brand and network to start a side practice on my own while working under an architect to gain my experience hours
- Make it a point to travel somewhere new at least once a month: local or abroad
- Save towards buying my own house

YEAR 3: 2021

- Work remotely in the hope of gaining projects from the networks of Egypt and possibly other places I gain from traveling
- Become a home owner
- Learn what it takes to open a restaurant for my mother and start investing towards this

YEAR 4: 2022

- Open a restaurant for my mother
- Take the ARE and Become Licensed

YEAR 5: 2023

- Travel

YEAR 6: 2024

- Open my own firm

YEAR 7: 2025

- Married
