

Name:Ariandy gomez

Date:11/3/18

Class:Professional practice

Subject 7 year plan

This will be in effect after 2019 January "Year 5-7 needs work and more thought put into it"
I'm am aware of the missing money amount, Im going to do research on that.

Year 1 (2019) Spring/Summer

- Working as I'm getting pay 26 dollars an hour as a CLT
- Complete Btech 6
- Complete Design 7 urban design
- Complete all electives "including the two electives that design 8 "
- Start the advanced rendering class "most important"
- complete id course/public speaking
- Graduate by 2019 Fall
- Get a job "Architectural rendering job"
- Create the best portfolio I'm capable of at that time
- "Artist job/Staying as a CLT adjunct" are backups
- Draw every single day for as long my hands will allow.

Year 2 (2020)

- Start saving money for the first apartment
- Studying for the license exam
- Continue my artist hobby taking it to new heights
- No hurry to move out my parent's apartment I don't need to pay rent
- If didn't have architectural rendering job apply again.

Year 3 (2021)

- Saving money for Master program at city college
- Buy my first apartment but not for me to live in, it is for renting 3 rooms is my best case scenario
- I don't want to work forever, so operation apartment chaining will start one year after I have received rent payment.
- explain this apartment chaining
- Will use my first apartment rent to pay off the second in the future
- learn about the Stock market exploration
- Start saving for travels

Year 4 (2022)

- Continue working towards the architecture license

- Will travel to Singapore for the architecture and to study under my favorite artist of all time his name is Stanley artgerm lau in a summer class session he has a school there.
- Apply to an architectural master program at City college will take 3 years (2025)
- Start to sell my drawings after I have learned from an art master

Year 5 (2023)

- Start saving for Paris and Japan travels
- Continue working towards the dream job of working as an architectural rendering specialist that a firm can never fire me.
-
-

Year 6 (2024)

- Buy my second apartment use that apartment one to pay that one off
-
-
-
-

Year 7 (2025)

- Graduate masters program at city college
-
-
-
-
