Individual Task

Ashley

Advantages and disadvantages of going to graduate school right after undergrad

Alex

Graduate school in the US; requirements, living arrangement, work study, exercises

Danie

Graduate school abroad; requirements, living arrangement, work study, exercises

Diamonique

Programs in graduate school units for licensing / Options after City Tech

Helbert

Graduate school online; requirements, living arrangement, work study, exercises

Kyle

Graduate school in NYC; requirements, living arrangement, work study, exercises

Leondra

Scholarship and financial options for graduate school.

GRADUATE SCHOOL

Group Minutes

What was discussed

TWent over the points that are supposed to be cover within our topic. Diaominque mentioned that she emailed a professor regarding our topic research and investigating what school that City Tech graduate go to after their associate or bachelors. We confirmed that everyone received and was able to use the google doc file created by Diamique. A slideshow was created; Alex and Ashley added some information. We welcomed Leondra in the group and became a group of 7 people.

Plan Of Action

- Confirmed individual email and access to Google doc
- Create a list of specific school that the group will be investigating
- Organize the slides and creating placeholder for our information
