

Meet the Professionals

TUESDAY MAY 13 2014 2:30-4:00

AIGA Organization Visits City Tech

AIGA brings design to the world, and the world to designers. As the profession's largest community, we advance design as a respected craft, strategic advantage and vital cultural force. From content that defines the global practice to events that connect and catalyze, we work to enhance the value and deepen the impact of design on business, society and our collective future.

Meet members of AIGA in the Student Center
