

**Graphic Assignment: Alignment**

2 pages Use the class grid and guides as instructed.

**Page 1: FL, CENTERED, FR alignments**

Use columns 1, 2, 3. Column 4 will be blank, column 5 will have title and source of text info. Use one paragraph of performer’s biography (no more than 4 sentences)

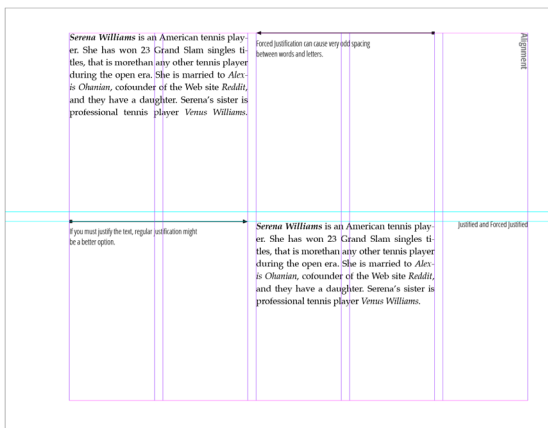

Align the following way:

- 1st column = flushed left
- 2nd column = centered
- 3rd column = flushed right
- 4th column = blank

Any Transitional font, no larger than 12 pts

Mark each column with the alignment heading (can rotate as shown if necessary) and place an arrow indicating alignment.

Use individual columns (grid) for your layout

**Page 2: Justified and Forced Justified**

Divide your page in 4 main squares. use 1 paragraph of your performer’s biography.

**Top left square:**

The paragraph must have a forced-justified alignment

**Top right square must say:**

*Forced Justification can cause very odd spacing between words and letter*

**Bottom left square must say**

*If you must justify the text, regular justification might be a better option*

bottom right square

The **exact** same paragraph must have a justified alignment, do not force it.
