Dear Sir/Madame,

I am pleased to submit my resume for the Registered Nurse position with your facility. Given my background in patient care and experience in hemodialysis therapy, I feel I am in a great position to make significant contributions to your diverse client population.

In each of my previous roles, I have delivered success on a range of care objectives by applying a focused personal integrity, strong work ethic, as well as dedication to positive client outcomes. My work experience and education have provided me with an excellent knowledge of traditional nursing practices, research and patient care, while developing the ability to think critically. Coupled with attention to detail and proven communication skills, I am confident that I can make a substantial contribution to your organization.

I have an immense passion for the medical field because it gives me the chance to care for others. I believe that a challenging environment such as yours will provide an excellent opportunity for me to best utilize my skills while contributing to the healthcare community, patients and their families.

Thank you for considering my application and taking the time to interview me. I look forward to hearing from you in the near future.

Sincerely,

Magdalena Sekscinski, RN
