Activity #1

Watch and Respond:

Watch *the second half* of the documentary “The Digital Promise” (2014) by José Manuel Pinillo at <https://vimeo.com/199075255>

download the documentary for easier reviewing (see below for where to find the download button on Vimeo)

navigate to the time stamp of 36:51; you’ll see a couple seconds of black screen (see below for the screenshot of the player navigation) and start watching from there through the end of the video

Respond

Write a response, around 500 words, **and submit it as a comment** to [the “Activity 01” channel on Slack \(#activity01\)](#):

1. Choose one of the **interviewee’s quotes** to thoughtfully reflect on (for example, Mark Dery, Clay Shirky, Nicholas Negroponte, Tiffany Shlain, or any others who are identified in this section), making sure to relate it to how you utilize technology in your life.
2. Choose **one of the specific examples of technological development or innovation** that’s mentioned in the video and find one news article that was published within the past year to relate it to (include a hyperlink to the news article in your response).

The news article could be about a current technology that you think is related, or a review of movie, tv/streaming show, art exhibition, etc. that deals with a similar issue.

Compare and contrast some aspect of what is stated and shown in the video with what’s mentioned in the article.
