Dear Gap,

I am writing this letter to apply for the graphic design opening at Gap. I found out about this job opportunity through online internet searches. I am currently a student at New York City College of Technology and I believe I am qualified for this position. I am interested in applying for this job position because I really appreciate the art that goes into window installations and I am willing to be a part of the creative process.

I would be grateful for a chance to be interviewed for further information. Please take a look at my resume for further information. Thank you for your time and consideration. I look forward to speaking with you about this employment opportunity.

Sincerely,

Nelson Daniel Agyei-Odame
