Dear Extra Butter

We really appreciate you joining us here at Airboren Boutique for our grand opening. Pioneers such as yourselves supporting our brand as we begin our journey is a real inspiration. As a brand that has been in our position and elevated your career to such success is the best motivation we could ask for. We are truly grateful and encouraged by your attendance and will continue to work hard.

We are sincerely thankful for your support and mindfulness.

Yours truly,
AirBoren Boutique
