Culmination Meetings with Technical Advisor

_{I,} Nitu Singh	understand that it is required for me to meet with
my technical advisor at least t	three times throughout the semester to discuss my
culmination project. Each med	eting should be at least 30 min. unless the technical
advisor determines that a sho	orter meeting is adequate. I also understand that after
each meeting, I must present	this form to the instructor of the course and also
upload it on my ePortfolio. I w	vill be penalized in the course if I do not fulfill these
tasks.
