Prof. Barbara Tacinelli, MA, RN

Bellevue Hospital Center
Division of Nursing
Patient Care Services

Dear Sir/Madam:

It is my pleasure to recommend **Mr. Nikolay Yusupov** for the Student Nurse Service Program Summer 2015, sponsored by Bellevue Hospital Center.

Mr. Yusupov is currently a second semester student in Borough of Manhattan Community College's (BMCC) nursing program and is expected to graduate with an Associate in Applied Science degree in Nursing in May 2016.

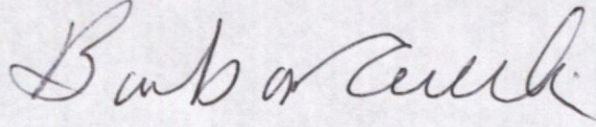

I know Mr. Yusupov as Adjunct Professor of Nursing in BMCC's Department of Nursing and can therefore attest to his eligibility and suitability for the Student Nurse Service Program.

Mr. Yusupov's clinical evaluations consistently document that he is able to use the nursing process effectively while caring for assigned patients with actual health care needs and can apply relevant theoretical knowledge and concepts to clinical practice. I have observed Mr. Yusupov to be a highly motivated, energetic, conscientious, and caring/compassionate nursing student. He relates therapeutically with patients in various health care states and communicates effectively with his peers and health care team members to ensure quality, safe, and competent patient-centered care.

Mr. Yusupov is a person of high integrity and conducts himself in a mature and professional manner. He shows a high level of dedication to doing a good job and is reliable, dependable, and responsible. He has the abilities and motivation essential for success in this program. He is strongly committed to learn and will work hard to expand his clinical thinking, knowledge, and skills.

I recommend **Mr. Nikolay Yusupov** with strong enthusiasm for the Student Nurse Service Program. I know that he will do well in this program and that you will find him to be a true asset to your health care facility.

Sincerely,

A handwritten signature in cursive script, appearing to read "Barbara Tacinelli".
