If you are involved in a Special Program (ASAP, ACE, C-STEP, SEEK, Early College, veterans or accessibility services), ask about tutoring, workshops, or other supports they offer.

Student Success Center: If you don't know where to turn or just have a question, the Student Success Center coaches and resource coordinator can help.

MID-SEMESTER GRADES

Professors will be letting you know how you are doing so far in the semester. Check your syllabus to understand the grading system.

If you have any questions or discuss how you can do better don't hesitate to reach out to your professor.
