OPENLAB
AT CITY TECH
A place to learn, work, and share

The **OpenLab** is here for you!

A state-of-the-art digital platform designed to support teaching and learning at City Tech, enable connection and collaboration, and enhance the intellectual and social life of our community. 28,000+ members are here already – come join us! openlab.citytech.cuny.edu

Accessibility Open Hour

Wednesday, August 21, 1:00-3:00pm (G603)

Drop in to this session to discuss how you can ensure your work on the OpenLab is accessible to all users, and learn design and usability best practices for your OpenLab sites.

Join us for two other full days of workshops that will help you prepare to use the OpenLab to its fullest potential. See reverse side for details.

Getting Started Drop-in (10:00-10:30am)

Need a hand signing up for the OpenLab? Swing by to get advice from OpenLab fellows.

Creating Your Course Site (10:30am-12:00pm)

Are you interested in using the OpenLab to teach your course? In this workshop we'll go from site tour to course site creation and give you beginning tips for how communicate with your students on the OpenLab.

Working with Your Students (12:30-2:00pm)

Want to go beyond just sharing materials with your students? In this workshop you'll learn some strategies for how to design, collect, and assess student work on the OpenLab.

Open Hours (2:00-4:00pm)

We'll work with you to get your site fully ready for the semester. By the end of the day, you'll have a full working site and a plan for how to use it!
