### Reading Questions...

1. What are TWO critiques of slum tourism? Be specific. What do you think of these reasons?
2. What are TWO reasons people are in favor of slum tourism? Be specific. What do you think of these reasons?

### Discussion Question...

1. How do you feel about tourism and tourists in New York City (in general)? Is there any kind of tourism that takes place in the city (or that *could* take place) that is comparable to slum tourism? How does using your own city as an example shape your view of slum tourism?
