RELATED EDUCATIONAL EXPERIENCE/VOLUNTEER SERVICE

Chairperson – District 20 Virtual Arts Showcase Committee

2021

Worked with Borough and District Public School Arts Administrators to develop a pandemic responsive website devoted to the presentation of student samples of Arts Education in the District 20. Oversaw all aspects of the project including community outreach, scheduling update meetings, and developing the website on a Wix Platform.

Community Education Council – District 20 (President and Council Member)

2015 -2021

Served as elected representative of 40,000 students and their families (in 38 schools from K through 8) to advocate on a wide range of student and family issues related to public education. Also met monthly on the Citywide Council on Education, meeting with the Chancellor and Chancellor's office representatives to effectively foster positive educational objectives for our diverse populations.

Mayor's Office Appointee -- Greater Borough Park Safety Coalition

2020

Initiated by the Office of the Prevention of Hate Crimes (OPHC), this coalition was comprised of community and education leaders who come together to create a united and proactive deterrent to the proliferation of hate crimes in Brooklyn, fostering unity in diversity, and tolerance through education.

School Leadership Team – Staten Island Technical High School

2018 – 2020

Collaborated with parents, teachers, and administrators in the development of the Schoolwide Comprehensive Education Plan, most recently focused in creating a healthy and productive educational environment where real learning is placed at the forefront to meet the needs of our students in a 21st Century workforce. Data and Innovative research-based initiatives were planned and implemented.

Grant and Funding Writer for Public School Education

2010 - 2019

Most recently wrote for \$400,000 in City Funding for PS 185 to upgrade technology infrastructure to implement Google Classroom and 3D Printing Program. Multiple Grants/Awards for Environmental Education and other school initiatives.

Go Green Program Director -- Grade School Environmental Curriculum Coordinator -- PS 185

2007 - 2015

Volunteer-initiated and grant-driven environmental program for 700 grade school students, which focused on the development of a school-wide recycling program, after-school program, and organic gardening with composting. The program won three citywide awards and fostered environmental mindfulness in young children.

MEMBERSHIPS/SKILLS

International Literacy Association, National Council of Teachers of English, qualified in SPSS Statistics Software, Blackboard, Google Classroom, Turnitin, Slack, Perusall Annotation Software, Edpuzzle, VoiceThread, Prezi, Wix Web Design, Microsoft Office Products including Access, Screen Capture Video Software, APA and MLA proficient, NVivo Coding Software, Academic Researcher (focus on Student Interest to Engage in Academic Curricula), Corporate Reporting, Women's Ice Hockey
