

Impact we are leaving on our communities: The use of guns is ending poor young lives. These kids barely live up to 21. Other kids who have friends or family that have been impacted by this are scared and some don't even want to go to school or think they'll reach their goals in life.

End Gun violence

Ways to help the community: Check on our kids make sure they don't have access to guns. Watch who they hang with. Talk to them about being safe and that is not a toy or something to play around with.
