

# Infographic Poster

---

David Farez

# What is an infographic poster?

A visual image such as a chart or diagram used to represent information or data.

From what point of view is an infographic written?

---

Third person writing is the most common writing form, not because it's easy, but because it's versatile.

Is there dialogue is just one person talking in a infographic poster?

---

In a infographic gender there is just one person talking to the audience about his/her presentation about there topic .

What is the tone and purpose of a infographic poster?

---

The tone in a infographic presentation has to be professional because the person is making a presentation and the purpose of a infographic presentation is to inform the audience about something that is going on in the world or to make the society better.
