! PLEASE READ ! You can't be pro-latino/hispanic but be anti-

LGBTQ+ **!** There's a huge problem within this community. The latino and hispanic individuals who are also apart of the LGBTQ+ community is facing a high rise encounter of discrimination. Which is affecting their ability to navigate their own life freely. The discrimination is reaching them in many ways towards Access to services, Economic and security benefits assistance, Mental health barriers to care, workplace and educational settings, and housing. Please help this community get the rights and equality that they deserve.
