Paulette Guevara

# What is a photo essay?

A photo-essay focuses on using a series of photographs to tell a story or make a point.

# Types of photo-essays

**Narrative:** A narrative photo essay is a collection of photographs that tell a story, convey an emotion and explore a theme or location.

**Thematic:** A thematic photo essay is a collection of photographs created around a subject, idea or theme.

# How to make a photo essay

- 1- Pick a topic
- 2- Research your topic
- 3- Take many photos
- 4- Edit and sort your photographs
