

STOP BULLYING NOW

You can never know how the victim is feeling unless you are one of them. Bullying is harmful to the student who is being bullied because, in addition to physical injury, it can undermine a child's self-esteem, confidence, and other personality attributes. In addition, bullying has been linked to various harmful consequences, including mental health issues, drug abuse, and suicide. Yet, they are all the same no one should ever feel left out or looked down on. Nobody deserves to be bullied.

**DID YOU STOP & STARE?
DON'T STAND BY
