MOHAMMED SILLAH

# WHAT IT IS

- Police Brutality goes beyond the unlawful use of power by police upon citizens.
- It became a crime war.
- Police Brutality: “excessive use of force by law enforcement can be legally defined as a civil rights violation, where law enforcement officers exercise undue or excessive force against a subject.”

- As a person of color this topic touches me on another level
- I fear being outside because I never know if “I’ll be next”
- As a person of color I am already marked as a target by the police

# ISSUES OF THE POLICE

- Because cops hold power, they use it to their advantage
- Targeting whoever, whenever because they own a badge.
- The abuse of their power constantly leads to our lives being lost
