

Electronic Profile Assignment  
10% of total grade  
**Due week two**

Task

Think about yourself as a student, industry professional, and future hospitality industry leader. Consider your:

- Academic experience and academic goals
- Career experience and career goals
- Personal strengths and how they will become professional attributes

Then write a reflection and choose a photo or yourself (or a avatar) to share with your classmates.

Your Audience

Everyone and anyone. Your eProfile will be posted on our OpenLab course website. Specifically think of how faculty, peers, and prospective employers will learn about you through your reflection.

Expectations of the Assignment

Students will write a reflection on the course's OpenLab site expressing themselves in an academic and a professional manner. Students will include a photo of themselves or an avatar in the post.

Format

Post to our HMGT1101 OpenLab site (Post should be be 2-3 paragraphs)

For assistance with creating a post go to this OpenLab page:

<https://openlab.citytech.cuny.edu/blog/help/writing-a-post-block-editor/>

Student Learning Outcomes

Upon completion of this assignment, students will be able to:

- Identify and articulate a personal profile for a public forum
- Discuss, in a short profile, attributes of a student and industry professional
- Utilize various features of OpenLab

Rubric:

	Full Credit	Partial Credit	Resubmit
Content	Concise explanation of academic and career experience and goals	Academic and career experience and goals are expressed	Suggested edits will be provided.
Proof Reading and Editing	Free of errors	Minor errors	Errors interfere with communication of content
