

Undergrad Students: Join the YPE NYC 2021 Mentorship Program!

Are you an **undergraduate student** passionate about the clean energy transition and interested in learning about career opportunities in **renewable energy**?

Does **receiving job and internship advice** and application assistance sound helpful to you?

Want to join a **network of dedicated NYC energy professionals**?

If you answered **YES** to these questions, then consider applying to be one of the 12 mentees in our Inaugural YPE NYC Mentorship Program!

The Program will run from Sept. 2021 to Feb. 2022. Mentees should expect to dedicate 4-5 hours of time per month to the program. Mentees should have some relationship to NYC (e.g. grew up in or attend college in NYC). Students that identify as BIPOC and/or LGBTQ+ are especially encouraged to apply.

**Deadline to apply:
May 1st, 5pm EST**
