

ASCE METROPOLITAN SECTION 2023 SCHOLARSHIP AND SERVICE AWARDS AVAILABLE

The Metropolitan Section of the ASCE is seeking candidates for up to **\$5,000** scholarships to be awarded to active Student Chapter members. In addition, ASCE will be recognizing student members for their Service to the community and student chapters. The awards will be presented at the Scholarship Luncheon.

SCHOLARSHIP AWARD REQUIREMENTS

Candidates must be in one of the following Civil Engineering, Civil Engineering Technology or Construction Management categories to be eligible for a scholarship:

- Undergraduate students, completing their Sophomore or Junior year and pursuing a Bachelor's Degree from an accredited program. This category also includes students who have completed their A.A.S degree and provide documentation of acceptance to an accredited Bachelor's degree program.
- Associate's Degree students in Civil Engineering Technology or Construction Management, and have completed a minimum of 45 credits.
- Undergraduate students, completing their Senior year, or Graduate Degree students enrolled in an accredited post-graduate, Civil Engineering program.
- High school seniors enrolled in an accredited Civil Engineering, Civil Engineering Technology, or Construction Management Program.

Candidates must also meet all the following criteria:

- Be an ASCE Student Member or High School Senior, in good standing.
- Attend, or be registered to attend, a college either within the ASCE Met Section geographical boundaries (the Met Section includes New York City and Nassau, Suffolk, Rockland and Westchester Counties) or outside the ASCE Met Section geographical boundaries, if a child of a member of the ASCE Met Section.
- Have not previously received an ASCE Met Section scholarship during their academic career.

Candidates must submit the following information for consideration:

- A completed ASCE Met Section scholarship application form. The form is available at <http://www.ascemetsection.org/scholarships>.
- An official transcript indicating course grades and grade point average (2.8 minimum to apply).
- A one-page, typed essay stating their career goals and aspirations in the field of Civil Engineering. The essay shall be 500 words, or less.
- A questionnaire about the applicant, to be completed by the Student Chapter Faculty Advisor. The questionnaire is also available at the website listed above.
- A brief resume of work experience, community service and other extracurricular activities.
- A detailed description of activities and achievements accomplished in the Student Chapter.

SERVICE AWARD REQUIREMENTS

Candidates must also meet all the following criteria:

- Faculty Advisor shall submit Service Award recommendation.
- Student shall be an Active member of ASCE Student Chapter (please indicate leadership positions held, if any).
- Student shall maintain a Minimum GPA of 2.8.
- Student shall be actively participating in community service and other extracurricular activities.

To apply, candidates must submit an application package of the information listed via email to Scholarships@asceNYC.org. The deadline for receipt of application packages is March 27, 2023. Additionally, you may send any questions to the Met Section Scholarship Committee at the above email.

Award winners will be notified in April 2023.
