

## WTS Advancing Women in Transportation Greater New York Chapter Scholarships 2023

To assist women pursuing education and professional careers in transportation-related fields, the Greater New York Chapter of WTS invites eligible women to apply for the scholarships at the graduate, undergraduate, and high school levels, as appropriate to the individual.

People identifying as female continue to be under-represented in transportation-related fields. As a result, we will be prioritizing those applicants. Male identifying candidates may still apply and are encouraged to show traits of strong advocacy and allyship in their application.
