

We Are Hiring!!

Assistant Project Manager

- ✓ Interested in the construction field?
- ✓ Do you consider yourself highly motivated and result driven?
- ✓ Are you looking to implement your leadership skills and grow a career in the field of construction management?
- ✓ Are you a team player willing to put in the time necessary to grow with our team?

Team & growth are two of our core values. We at 4D Construction are looking to hire hardworking, result-driven winners with the characteristics listed above.

Training will be provided to take on this role. This is a challenging position with a lot of potential for growth.
