

Diversity-in-STEM Scholarships

Hazen and Sawyer believes in engaging and supporting passionate, talented, and dedicated people of diverse backgrounds and perspectives. Diverse perspectives lead to new ideas, ultimately benefitting our work, our clients, and our industry.

Our commitment to the future success of the engineering industry includes investing in STEM programs, with special focus on groups traditionally underrepresented in our field. Hazen and Sawyer is proud to offer **\$5000 scholarships** to **two students** who are pursuing higher education in engineering or environmental science. If you or someone you know meets the criteria below, apply today.

Our ideal candidate:

- Is an incoming college freshman or college sophomore
- Has a chosen major in an engineering discipline (civil, chemical, mechanical, structural, electrical, or environmental engineering) or in environmental science
- Is enrolled at an ABET accredited 4-year college or university (applicable to engineering programs only)
- Has a cumulative GPA of 3.0 or higher on a 4.0 scale (or equivalent on a 5.0 scale). For incoming freshmen, GPA is based on high school cumulative GPA. For college sophomores, GPA is based on the first year of college.
- Is a US citizen or permanent resident
- Identifies as a member of an underrepresented group

**Applications are due
July 15th, 2023.**
