Mon: 12-1:40 pm Course/Section: BUF 2246-HD22

Research Project Worksheet: Final draft due Wed. 3/20/19 by 10 pm on Blackboard

NAME\_Phillip shister\_\_\_\_\_

DATE\_3/21/19\_\_\_\_\_

What is your research topic? \_The The history of cotton\_\_\_\_\_

Using the table below, list 5 things you know about your topic, and 5 things you'd like to find out. You can add to this list as you develop your research:

What I know	What I want to find out
cotton is a soft, fluffy staple fiber that grows in a boll, or protective case around the seeds of the cotton plants.	is Cotton Absorbent?
All of the cotton plant is used, none of it goes to waste	For how many years has cotton been around for?
Cotton is a sustainable fiber	Where was cotton first planted?
The cotton fiber is made up of cellulose which is a natural polymer	what clothing is cotton used for mostly?
Egyptian, pima, and sea island cotton are the longest cotton fiber grown.	how many days does cotton need from planting, to be ready for harvest.

**Bibliographic Resources:** You will need 5 sources for your paper. 4 of them can be online sites that are educational or institutional; the final resources has to be available in print. See assignment details.

Online: Add a brief description of the site and URL

1.barnhardtcotton.com

2.thefabricofourlives.com

3.nationalcottoncouncilofamerica.com

4.aboutorganiccotton.org
