

# **Come to a meeting of the City Tech Printmaking Club!**

We need to elect officers, come up with our policies and fill out some paperwork.  
Come and take a part in forming an exciting new club!

## **Printmaking Club Meeting**

February 26, Room N1119

Club Hour (1:30-2:15pm)

Students are able to start clubs as long as they have a minimum of 15 members, officers, and a constitution.

Let's meet up and make the club a reality!
