PITCH

Do you love the dark occult, or perhaps angelic icons. Perhaps you love the darkness itself. The Divine Omen Tarot Cards lives in its own unique world and does its best to bring you along. It asks you to use your gut to read meaning from the cards with intuition. But you aren't left out in the cold. Each card has associated keywords and quotes to get you started.

TARGET AUDIIENCE

Teenagers

Teenagers today especially in high school love to use these cards for either popularity or for pass time during classes.

Goths And Emos

The demon and angelic features of the tarot cards will draw the attention of those who love the dark arts such as goths, punk rocks, emos, etc.

Adults

Adults today use tarot cards to tell their fortunes. Stands in the mall or in Wicca stores have tarot card stalls where people can go up and have their fortune told immediately.
