

HANDLETTERING 3505

GRADING OF HOMEWORK

Your **Weekly assignments** will be drawn letters with a pencil and paper. Later in the class we will draw them with adobe illustrator.

YOUR WEEKLY ASSIGNMENTS WITH BE GRADED THIS WAY

- 1. Visual Consistency-** weight, height, width, style. This is the structure of letters.
- 2. Letter Spacing-** is the space between your letters consistent?
- 3. Details of Letter Style-** How close is your reference and your homework? You will have a reference to draw from.
- 4. Guides-** are you using your guides- baseline, X-height, cap height and angle.
- 5. Presentation/Neatness-** letters need to be filled in. Erase extra drawing marks, clean paper.

Spelling- If you show up with the homework misspelled your grade will dropped one grade- you will lose 20pts.

Each one is worth 20points

if you get all 5 it's 100 (A), 4=80 (B), 3=70(C) 2=60 (F) 1=F

NOTE- Some points will be taken off if part of the details is missing. Example missing a serif one letter- minus 5 points or if I see letter spacing between 2 letters could be improved. You can get the full 10 points if everything is perfect.

Home work is due every week. Every Assignment is a very specific deadline (Even if the student is absent on due date.) Students who are absent are responsible for what is missed.

Late homework will only be accepted up to one class missed after the deadline.

Grading will start at 85 for assignments handed in late. After a week late assignments will not be accepted and will result as an F.
