Session 1 - Beyond the oval

The oval form has a very special meaning to calligraphy, flourishes and the natural sense of beauty.

**How many oval forms can you discover in this word? (it means „thank you“ in german)**

# **The main learning topics**

about the basics

- > origins and impact of spencerian script
- > meaning of nature for our vision of beauty
- > form and meaning of the oval
- > proper forms of spirals and loops
- > best practice flourish solutions for lowercase letters
- > looking beyond the oval
- > aspects about the general sense of beauty
