Romantic Script

52 LETTERS WITH STEP BY STEP ILLUSTRATIONS

omantic Script is a vintage handwritten style inspired by traditional calligraphy. With its romantic dramatic movement it's perfect for wedding invitations, greeting cards, or anything else that needs a natural elegant touch.

In this workbook, you'll learn how to draw each letter, step by step for both upper and lowercase letters. Start by drawing out the skeleton of each letter and add weight along the downward strokes with ball terminals at the ends. Finally take the time to fill in the letter while making refinements for a smoother look.
