

## Rights and Duties, Positive and Negative

All rights are correlated with duties.

Negative rights are correlated with negative duties (i.e. duties to refrain from doing something).

Positive rights are correlated with positive duties (i.e. duties to perform some action).

Right	Corollary Duty?	Positive or Negative?
Right to free speech		
Right to payment for services performed under contract		
Right against theft		
Right not to be threatened		
Right to clean water		
Right to vote		
Right to a safe and legal abortion		
Right to a basic income
