

# CITY TECH WRITER

# CALL FOR SUBMISSIONS

May 8 – Nov. 15, 2017 • [CTWsubmissions@gmail.com](mailto:CTWsubmissions@gmail.com)

## Welcome to Faculty Commons

The Faculty Commons website is an important component that supports our role to harness the synergy of the City Tech faculty's scholarship and pedagogy. Visit our e-Calendar of workshops and read creative and scholarly faculty initiatives at City Tech in Nucleus. We are at your service.

Visit us in Namm 227 when you are on campus.

### Faculty Focus

#### Does the Strategy Work? A Look at Exam Wrappers

by Maryellen Weimer, PhD on June 14, 2017 at 6:50 am

For many faculty, adding a new teaching strategy to our repertoire goes something like this. We hear about an approach or technique that sounds like [...]

#### A Case for Coaching in Faculty Development

by Nicki Monahan, MEd on June 13, 2017 at 7:52 am

I recently spent a rainy afternoon watching the semi-finals of the Madrid Open and noticed how often one of the players looked to his coaching box [...]
