Ascending Letter Restraint

January 30th, 2018

ENG 1121

Poor, poor me, canvassing my passage concerning peace.

I pursue for a G O D, ergo one can see answers reposing, in me.

Receive me.

Receive me.

Receive me.

Prayer, practice and passion.

I must ration

Please do not neglect me

Please do not neglect me

Please do not neglect me ,

I must care.

Cannot contrast, cannot compare

Ego is not on the menu

G O D is in me, in you. In us

In many venues

Just,

Accept me.

Accept me.

Accept me.

Repugnance, murder

I can commit it, still I do not

Urinate in the sea, I do not

Occupy upstairs, I do not

Nor do I carry envy

I ignore the messy

Saints near saints

In unison

In goodwill

Except me,

Except me,

Except me,

Change occurs, in spur, even in fur.

I infer, time soon arrives, and So will I

My aura is pure, my aura is meant for me

I am in right, spirits respect me

Expect me

Expect me

Expect me
