COMD/ Illustration 1/ Final File Prep
Professor Diana Schoenbrun

*The COMD department wants to see samples of student work.
You must hand these files in order to get a final grade.
The files on Openlab are lo res so these are not acceptable.

Please save your files as hi res, 300 dpi, jpegs.

Upload folder to wetransfer.
https://wetransfer.com/
You can get a link for me to download your folder. Make sure to zip or compress folder and then upload. I suggest sending a follow up email to confirm I got your files. I will respond in 24hrs.

1.Create a folder
Lastname_firstname

2. Place the following project files.

Project 1- Ice Cream packaging

       Ice Cream packaging label
       Lastname_firstname_icecream.jpg

       Ice Cream banner
       Lastname_firstname_banner.jpg
