A History and Update of Fluoride Dentifrices

James S. Wefel, PhD; Robert V. Faller, BS

Method: Self-instructional

AGD Subject Code(s): 11

Upon completion of this course, the dental professional should be able to:

- Understand the history and development of modern day dentifrices.
- Discuss the changes from dentifrices that delivered only cosmetic benefits to those that focused on therapeutic benefits; and then back to products that deliver a combination of both.
- Discuss changes in ingredients and actives, and describe new technologies.
- Help dental professionals talk to their patients from a position of knowledge about the variety of fluoride dentifrices available in the current marketplace.
- Help the dental professional understand the connection between modern lifestyle (diet), new emerging issues such as dental erosion and appropriate therapies to help them guide their patients.
