

INCREASE LATINA'S WAGE

SISY RUBY FIENCO

**LATINAS ONLY MAKE
\$0.54 WHILE NON-
HISPANIC MEN MAKE
\$1.00**

**INCREASE LATINAS
EDUCATION OPPORTUNITIES**

Create more scholarship opportunities for Latina women to continue a higher education and help Latinas from poor communities pay for education.

**STOP DISCRIMINATION AGAINST
LATINAS**

English is not our first language which make us bilingual, allowing us to communicate with more people, and still able to complete the same job that a non-Hispanic man has assigned.

We can do it !

**LATINAS ARE MORE THAN JUST
HOUSEWIVES**

Implementing a myriad of policies and paternity leaves would help all Latinas balance both their work life and their families' care needs.
