

Please do not write in the margins of the page!

Instructions:

- Show ALL your work as specified in the problem. You must show work in order to receive credit.

Solve by using the Zero Product Property: do not use decimals in your answers.

1) $x^2 + 3x = 0$

2) $16x^2 - 9 = 0$

3) $2x^2 - 7x + 5 = 0$
