

Thinking strategically: reflecting on your preparations for this Test

Please answer these questions honestly. You are the only one who will see your answers!

Thinking back on your preparation for this Test:

Which of the resources did you make use of in preparing for this Test? (Put a check mark by them.)

Also, rate the usefulness of each of the resource you check off (on a scale of 0-5)

Resources:

- OpenLab blog
- WeBWork
- Piazza
- Instructors' office hours
- Math specialist tutoring
- Paul's Online notes
- Videos (PatrickJMT or Khan Academy)
- Your classmates!

Did you fill out the Thinking Strategically Pre-test Survey?

If so, how well do you think you carried out your plan for using strategic resources?
