EXT KIETH AND ZEE FILMING STUDIO

Zee and Keith are sitting down, talking directly into their camera, shooting in confessional scene for the documentary, the confessional scene informal and shot on their phone.

This event is taking place weeks prior.

ZEE

Zee is reading an online post from a Renee.

Something strange is definitely going on, I can't quite explain it, but my neighborhood is changing. Business and people who lived here have simply vanish without a trace. Take my friend Angela for example, for years me and Angela have lived two doors down from each other and things seem to be going just fine. However, a couple weeks back I notice things started to change. One day I went over, rang the doorbell and no answer. I notice her car was not park in front, like it usually is. I called serval times to file a missing person report, but nothing came out of it. I feel like

this will happened again.

KEITH

Ok, so I came across this post from a woman online claiming of disappearances in neighborhood. At first, I ignored it honesty.

ZEE

but after doing some research we found out that she does live too far from where we grew up

KEITH

So, we got in contact with her to see, to see if she's willing to let us interview her and maybe in the process maybe we could actually get to the bottom of these disappearances.

()

ZEE

I think there's a story here and maybe we could get to the bottom of it

KEITH

yeah!

-INT. KEITH AND ZEE FILMING STUDIO

The scene cut back to present time, the interview resume.

KEITH

Ok, let's get this straight, you think Angela ... your Neighbor is missing?

RENEE

No, I don't think, I know.

ZEE

Do you know when did Angela moved into the neighborhood?

RENEE

She was born and raised here.

KEITH

And would you say the two were friendly?

RENEE

Yeah of course, we didn't speak every day, but you know we house sat for each and pick up each other mail whenever we gone. I would go to her and have drink once in a while.

KEITH

Do you know if Angela seeing anybody?

RENEE

No, not that I know of

Renee takes a pause before she answers.

ZEE

What about Family, did she have family in the area?

RENEE

Yeah, her family is also from the area, but they are just move to Maryland.

ZEE

Did try getting in contact with them.

RENEE

No, I didn't know them that well, we only met a couple of times.

KEITH

Ok, so when did you notice something was wrong?

RENEE

It was about four weeks ago. After work I went over to her house ... you know to check up on her when I notice her car park out front, and her car is always parked in same spot. After that rang the doorbell then peeked my head in the window that's when I notice...

Renee takes a dramatic pause.

ZEE
Notice What?

Both Zee and Keith lean in, they have intrigued look on their face.

RENNE
I notice everything was gone.

KEITH
What do you mean gone?

RENEE
I mean everything was gone. All her furniture, pictures, everything completely gone. it was almost like she never existed.

EXT- 4 WEEKS PRIOR- BROOKLYN - OUTSIDE OF ANGELA'S HOUSE

Renee walks ups to Angela's door rings the doorbell then knock on the door.

This scene will be B-roll and coincide with the story Renne is telling during the interview.

-INT. KEITH AND ZEE FILMING STUDIO

ZEE
So, what did you do next?

RENNE
I tried calling for days but no answer. I constantly checked on her place to see if anyone came over, but nothing came out of it. I tried asking around no saw a thing.

KEITH
So, what do you think happen to her?

RENEE
It was inside Job.

Keith and Zee look at each other in confusion.

ZEE
I'm sorry, I just want to get this clear, your think her disappearance.

was an inside job.

RENEE

Yeah, I think the government for sure had a hand in her disappearance. Just like they did in Jimmy Hoffa's, and Amelia Earhart. You think people just disappears without trace.

Keith and Zee continue look at Renne.

come on don't look at me like that, you and I both know the government is involved every step of the way.

John F Kenndey, Martin Luther King Assingation, Biggie, Tupac all conspire by the government.

Oh, and do you really think Area 51 is really a military base?

It's all government secrets!

Ass Renee is speaking fast and going on a rant.

ZEE

Ok let's stay on track.

RENNE

Right sorry, were taking about Angela.

KEITH

Do you know if Angela was involved in anything sketchy?

RENEE

No, I don't so.

KEITH

So, what do proof do you have to even suggest that she's missing?

RENEE

Renne take a deep breathe before she speaks.

Ok no, I don't have any concrete proof that anything bad happened but ...

Zee interrupts Renne mid-sentence

ZEE

Why not just call the police?

RENEE

You don't think I tried. I called a least five time and the detective I spoke with said that they'll perform a wellness check.

ZEE

Did that they ever get back to?

RENEE

Of course, not, but if you ask me, I think there in on it too.

Angela's disappear is one of a few going on area.

KEITH

So, you're saying they're other disappearances.

RENNE

yeah, a couple of months before Angela disappear, I notice Doc's Barber Shop recently went out of business, Lord's bakery, and Burly coffee Shop a little after that.

You think that's a coincidence, I'm telling you it's the government.

Oh, I almost forgot to tell you guys about the new apartment complex that's being built, if that's not a way to infiltrate the neighborhood I don't know what is.

Oh, and don't get me started on ...

Renne starts to go a on another rant when Keith interrupts.

KEITH

Ok I think that enough for today.

RENEE
you sure? I have a lot more to say.

KEITH
Yup, I'm sure.

Keith ends the interview.

Crew member yell cut

This scene will include footage with from around the neighborhood. Keith will provide a voice over to the footage.

KEITH
Ok, so far what we know Angela disappeared about a month ago. There were no witness, no foul play, and no evidence really at. Renne called the police department multiple times but unsuccessful.

So, after our interview with Renne with look into some of the other disappearances, we visited Doc's Barber Shop Lord's bakery, and Burly coffee Shop and we got nothing and got nothing really from it, all business is in fact closed and for sale sign.

So, we asked some locals if they saw anything they saw anything.
